Good News

"...how shall they hear without a preacher?" (Romans 10:14).

When the world is politically divided, people need Good News.
When war is raging, people need Good News.
When money is tight, people need Good News.
When families are strained, people need Good News.
When the doctor's report is hard to hear, people need Good News.
When confusion fills the air, people need Good News.
When anxiety is rising, people need Good News.
When death comes near, people need Good News.
When loneliness settles in, people need Good News.
When addiction tightens its grip, people need Good News.
When the prodigal walks away, people need Good News.
When doubt creeps in, people need Good News.
When marriages strain, people need Good News.
When guilt won't loosen its hold, people need Good News.
When depression darkens the day, people need Good News.
When the headlines won't stop, people need Good News.
When friends walk away, people need Good News.
