Wow!

Words cannot begin to express the wonderful job everyone did to make our Vacation Bible School such a great success! "Wow" is what comes to my mind! From the great kitchen staff, the awesome puppet productions, the very prepared teachers, the many hand-out and poster "cutter-outers," the super background props, and everyone who dressed up or performed even the smallest of details, this VBS was a passionate, well-oiled machine!!!

I am so impressed with the amount of work that went into everything. You should be proud, church; I believe God truly is. Let us continue now, with the follow-up work that needs to be done: i.e. writing the cards of encouragement, sending out the personal invitations, even phone calls to the parents of the youngest of our visitors. Beloved, if we put as much effort into the follow-up we will certainly see an even greater increase.

I would be remiss in trying to mention every individual's name that had a part in this vast work because there were just so many. But please know this, God knows who you are and He knows what part you each had.

Paul said, "I planted, Apollos watered, but God gave the increase," 1 Corinthians 3:6. So whatever your part now is in the follow-up, or whatever your part has been this past week or even your part in the past several months, let us all continue to build on this wonderful Vacation Bible School. Everyone is to be commended because your work has been "**Trailblazer worthy!**"

—R.W. Bentley
