A Child's Advice to His Parents

1. My hands are small. Please don't expect perfection whenever I make a bed, draw a picture, or throw a ball.
2. My eyes have not seen the world as yours have. Please let me explore it at my own level without unnecessary restrictions.
3. Housework will always be there, but I will be little only for a short time. Please take time to explain about this wonderful world.
4. My feelings are tender. Please be sensitive to my needs. Treat me as you would like to be treated.
5. I am a special gift from God. Treasure me as God intended, holding me accountable for my actions, giving me guidelines to live by, and disciplining me in a loving manner.
6. I need your encouragement to grow, so go easy on the criticism. Try to correct my behavior without criticizing me as a person.
7. Give me the freedom to make decisions. Permit me to fail, so I can learn from my mistakes. Then I'll be prepared to make the kind of decisions life requires of me as an adult.
8. Don't do jobs over that I have done. This makes me feel that my efforts don't quite measure up to your expectations.
9. Please don't be afraid to leave me for a weekend together. Kids need vacations from parents, just like parents need to get away occasionally.
10. Please set a good example by taking me to Sunday School and worship regularly. I enjoy learning more about God.
