Clinton church of Christ

A friendly church with a saving message

Are You Friendly?

My good friend Robert Goff states the following: When I lived in southeast Missouri, I went to the post office every morning to pick up the church's mail. I knew the employees by name and many of the folks in the town by name or face. I enjoyed saying good morning, chatting and visiting with them for a moment.

But, one morning, I noticed that almost nobody spoke to me and those who did said nothing more than "Good morning". After I left the post office, I reflected on my time there and tried to figure out, in my mind, why folks were so "unfriendly". Then it hit me. I was not in the best of moods that morning and I did not wish them a "Good Morning". I just was not in the mood to socialize. And, the folks around me responded to the way I came across to them.

Proverbs 18:24 says, "A man who has friends must himself be friendly, But there is a friend who sticks closer than a brother." I cannot read the verse above without thinking of that morning in the post office. It's true, if we want to have friends, we must ourselves be friendly. And, someone said, "One is a brother by birth but friend by choice". Someone else said, "The poorest people on earth are those without friends."

How do people act toward YOU? Do you know why? Beloved, let be friendly to everyone we see. Can you imagine our Lord Jesus not smiling and being friendly to those He came in contact with? Some of us may need to work on "being friendly." Don't wait around for people to speak to you first. Take the initiative and if you can't bring yourself to say something, at least smile! What a difference that will make!

If you are visiting with us today – Welcome! We are glad you're here!
