A friendly church with a saving message

He Holds Us Firm

Herman Herren

Psalm 37:23 – “If the Lord delights in a man’s way, He makes his steps firm.”

One of the greatest challenges during bad weather is maintaining your footing. Whether it’s a rainstorm turning the ground to sloppy mud or a freezing snow that leaves the ground icy and treacherous, you have to take each step slowly if you don’t want to fall and hurt yourself. Each year, regardless of the season but especially in fall and winter, thousands of people slip and fall. From sprained ankles to broken hips, such injuries leave a strong individual literally lying on the ground.

Even though life circumstances often make us feel as though we’re trying to run uphill on slippery ground, we know that God holds us firm. We only have to take one step at a time, trusting that He guards each one, providing a firm foundation. We may fall occasionally, but our Father always lifts us up and helps us get back on our feet. He leads us down a safe path on solid ground. Even when the weather is treacherous and the roads seems slick, we can step out in faith and follow Him.
