THE ELDERS CORNER

The elders of the Clinton Church of Christ have made the decision to resume public worship on Sunday morning June 7. We will limit our services to one service per week at 11:00 am on Sunday morning. There will be no Sunday evening service and no Bible study on Sunday and Wednesday. This schedule will continue for the present time.

Please arrive at the building a little early as some things will be different. Upon arrival and departure the doors will be propped open for a no touch entry and exit. Tables will be set up at entry points where you will be able to pick up the bulletin, bagged communion sets and deposit your contribution.

The actual worship will be as usual for the most part except there will be only one man presiding on the Lord's table. We need to practice social distancing at all times. Sitting together as families is permitted. All others must stay six feet apart. Parents please keep children with you at all times.

Bottles of sanitizer will be placed at various locations and also in the bathrooms. Masks are optional but it is recommended you wear one when not able to social distance.

We need to limit our movement during worship. When our worship is concluded please stay seated and we will be dismissed by rows in order to maintain social distancing. On the way out please dispose of your used items placed in the communion bags and put them in the trash cans provided..

There can be no fellowshiping in the building, however it is strongly encouraged you fellowship with one another outside, in the front of the building or in the parking lot, but please remember to social distance.

If you do not feel comfortable returning yet we will still be streaming the worship service. If you have a temperature, a cough or shortness of breath or just feel unwell please stay home. These are trying times but this is a beginning to getting back to normal. Your elders consider your spirituality and health of utmost importance. Please remember to pray for the church and the entire world during this pandemic.
