## A Society In Turmoil

Victor M. Eskew

Our society is in turmoil. It desperately needs our Lord Jesus Christ. "Why?" you might ask.

Because:

- He brings order to chaos.
- He brings love instead of hate.
- He brings unity instead of division.
- He brings kind words not evil speaking.
- He brings truth and no lies.
- He brings no respect of persons.
- He brings rationale not emotionalism.
- He brings justice to injustice.
- He brings God to God "less"ness.
- He brings respect for authority.
- He brings submission to civil law.
- He brings compassion to the poor.
- He brings light to the darkness.
- He brings morals to the immoral.
- He brings repentance to the sinner.
- He brings forgiveness to the sinner.
- He brings self-discipline in all of life.
- He brings hope to the hopeless.
- He brings worship of God to all men.
- He brings long suffering and patience.
- He brings respect for God and men.

This is a short list. A good dose of Jesus and His Word would bring peace to the storms of conflict, riot, anarchy, and rebellion.

This is the very reason many do not want the Lord. He would bring to society what many do not want.

Dear Christians, let's bring Christ to the world. It needs the balm that only the Great Physician can bring.

To our members and visitors - Welcome to Clinton! We are glad you're here!

We will plan to arrive at 4:30 to play and visit and then eat supper at 5:00. Please bring your own supper for you and your family (a bag lunch from home or something from fast food/takeout). We will be able to safely eat this way and enjoy some fellowship in the fresh air outdoors!

## On Being One

By Rob Albright

We might be tempted to pat ourselves on the back when all is well, but the praise goes to God for His care and protection. God is able to do more than we can ask or imagine (Eph. 3:20). God is faithful and there is no way we can be defeated if we walk in faith with Him. Every challenge and problem we have is an opportunity to show the power of God in our life. We serve a "can do" God.

Notice I said "we" serve – another positive thing about our walk with the Almighty God is that we are not alone on this journey called faith. We lean on each other and help one another. We serve one another (Gal. 5:13), encourage one another (1 Thess. 5:11), and are devoted to one another (Rom. 12:10).

Satan would love for us to lower our view of God and separate us as a unified body of believers, but God's love for us (Romans 8:28-39) and our love for each other (John 13:34-35) is what makes us strong in the faith.
