## What is the Bible (According to the Bible)?

By Edd Sterchi

As I was reading Hebrews 4:12 the other day, I realized that the Bible was trying to tell me what it is.

### *For the word of God*

The Bible is from God – it is holy, harmonious, and accurate.

### *is living*

The Bible is alive – it is active and life giving.

### *and powerful,*

The Bible is effective – it can change and benefit our lives.

### *and sharper than any two-edged sword,*

The Bible is “cutting” – it separates right from wrong.

***piercing even to the division of soul and spirit, and of joints and marrow,***

The Bible is penetrating – it can touch us deep in our soul.

***and is a discerner of the thoughts and intents of the heart.***

The Bible is evaluating – it is the standard by which we will be judged.

To our members and visitors:

**Welcome to Clinton! We are glad you're here!**

### VBS THANK YOU

A tremendous THANK YOU to everyone who helped with our VBS yesterday. We had between 70 and 75 in attendance, and the kids had a wonderful day learning about Stephen and Aquila & Priscilla from the book of Acts!

### THE ELDERS CORNER

Be kind to one another, tenderhearted, forgiving one another as God in Christ forgives you. Ephesians 4:32

This verse and many others tell us to be kind and helpful to each other. Doing so will give you a good feeling. In fact, Prov. 11:17 tells us that a person who is kind benefits himself. I think the Clinton congregation does well in this. However, I've heard it said there's always room for improvement. So let's not wait for opportunities to be kind and do good deeds to just be dropped in our laps, but look for opportunities to be kind and do good deeds.

*-Dwight*
