Solving All the World's Problems

By Edd Sterchi

Just take a look at the news headlines and you will see problem after problem that humanity has created: wars, violence, murders, theft, scandals, abuse of power, the misuse of resources, immorality – the list goes on and on. What a mess we have made of this world! And with all of these problems comes heartbreak, more troubling situations, and brokenness of homes and society.

Not to brag, but I believe that I have found the solution to all of the problems of the world. In John 16, Jesus had just informed the apostles of His upcoming crucifixion and what all would happen surrounding it. Then in v .33, He reminded them (and us): "In this world you will have trouble. But take heart! I have overcome the world."

The solution to every trouble of the world is Jesus Christ. He can and will overcome any and all problems we humans create. If everyone would just get and stay in a relationship with Jesus, then they would be connected to the One who can overcome any problem. If everyone would faithfully follow Christ and His teachings, then none of the problems of the world would persist. Knowing that, then why wouldn't we want to take the saving message of Christ to all the world (Mark 16:15)?

To our members and visitors:

Welcome to Clinton! We are glad you're here!

THE ELDERS CORNER

This past week we heard of the death of Queen Elizabeth II. The citizens of the United Kingdom who are 70 years of age and younger have never lived under another Monarch. This will be a huge change in the lives of millions of people around the world. We also remembered the tragedy of 9/11 which also changed many lives. Change happens to all of us during our lifetime but there is one thing that never changes.

Jesus Christ, the same yesterday, today, and forever. Hebrews 13:8 Of this we can be very thankful.

—Dale
