Celebrating 80 Years in Clinton 1943 - 2023

Building Program

Thanks to the congregation's more than generous giving, we have been able to not only be the sponsoring congregation to Garry Jones India work but to expand our work to be the Young's sponsoring congregation for the work in Australia.

Some twenty-four months ago the elders saw the need for a larger fellowship area so a plan for the future was put in place and we decided to apply a portion of our weekly contribution to a building fund. We have been blessed with an influx of fine mature talented families. This has brought us to the point that we are asking for bid for the proposed building which drawings are on the back wall.

The elders ask for your comments to help us fine tune this project. This involves the entire congregation. You all have given generously to this venture so your input is asked for. As we move ahead, think of what Nehemiah said in Nehemiah 4:6 "the people had a mind to work". He also stated in verse 4 a prayer to God. We need to pray for this project that it will be completed safely if it is God's will. We also need to keep the auditorium looking its best so we are having the pews reupholstered soon. This is something that has been needed for some time. We ask that everyone take care of the facilities that we have been blessed with.

**To our members and visitors:
Welcome to Clinton! We are glad you're here!**
