Lads to Leaders Report

We had a great group of young people, parents, and chaperones from the Clinton congregation who had a fantastic experience at the Lads to Leaders/Leaderettes Convention in Nashville this weekend! We are so proud of the hard work the kids put into all of their events and extremely thankful for all the adults who spent the last several months coaching, teaching, and encouraging them.

MANY THANKS

Thanks again to all of our volunteers who coached, taught, prepared, planned, coordinated, and chaperoned our Lads to Leaders effort. It took months of preparation to carry out this experience for our youth. We also want to thank our elders for their support and encouragement of this work. What was sown will reap eternal rewards!
