A Home Is More Than Bricks...

By Glenn Hitchcock

It's a place where your child gains his or her concept of God.

It's a place where your daughter learns how to be a wife and mother.

It's a place where your son learns how to be a husband and father.

It's a place where going the second mile can pay big dividends.

It's a place where the Christian graces can be added by practice.

It's a place where the reality of your Christianity is tested.

It's a place where social media can rob you of important family time.

It's a place where spiritual health and growth can be neglected.

It's a place where happiness can exist.

If Every Family Member Is A Committed Christian.

**To our members and visitors:
Welcome to Clinton! We are glad you're here!**

VBS REPORT

A huge "thank you" to everyone who helped out with our VBS last week! From class leaders, decorators, actors, puppeteers, song leaders, group leaders, food preparation, kitchen help, audio/visual coordination to each and everyone who attended, we had all hands on deck at all times! The attendance numbers for the week were great!

Sunday - **129**, Monday - **102**, Tuesday - **124**, Wednesday - **129**

We had a total of 60 individual children that registered and attended. Half of those that attended (30) were from outside this congregation. Many of our own middle and high school aged kids helped out in various ways as group leaders, actors, and puppeteers. Our adults enjoyed a variety of speakers who had not previously been on the schedule for our VBS. Our prayer is that seeds were planted and watered...and that God will give the increase!
