The Election

By Robert Dodson

Another election has come and gone. Some may be pleased with the results, while others may be disappointed. We may have different opinions about the direction of our nation, but as Christians, we share something far more important than our political preferences — our allegiance to Jesus Christ.

The apostle Paul reminds us, "For our citizenship is in heaven, from which we also eagerly wait for the Savior, the Lord Jesus Christ" (Philippians 3:20, NKJV). Our ultimate citizenship is not determined by an election, and our hope does not rest in the success of any political party or candidate.

We are thankful for the freedoms we enjoy, and we should pray for those who serve in positions of authority (1 Timothy 2:1-2). We should also remember that our responsibility as Christians extends beyond election day. We are called to love our neighbors, speak the truth, pursue righteousness, and demonstrate the character of Christ in our daily lives.

Jesus declared, "My kingdom is not of this world" (John 18:36). His kingdom is greater than any earthly government, and His reign is not threatened by the outcome of an election.

So, whether we are encouraged or disappointed by the results, let us move forward with faith, humility, and confidence. Let us remember that our greatest responsibility is not simply to be good citizens of this nation, but to be faithful citizens of the kingdom of God. The election is over. Our mission remains. Jesus Christ is still our King!

To our members and visitors:
Welcome to Clinton! We are glad you're here!
